OVERARCHING NOTES

- Gross Rental Rates include all standard operating expenses.
- Tenant Improvement Costs shown are assumptions based on the below high-level estimates.
- TI out of Pocket is the difference between estimated tenant buildout costs and tenant allowance.
- Total Estimated Obligation includes full service rental costs, buildout costs, and parking.
- Numbers are pre-tax dollars and do not take into account depreciation for upfront costs (parking includes sales tax if applicable).
- 6.00% discount rate is used.

CASH FLOWS

Monthly Gross Cash Flows (All Scenarios)

Month 0 reflects pre-commencement outflows. Timeline spans earliest commencement to latest expiration.
